

Rochester Main Street Presents

The 12 Months of Main Street

Highlight your business through this innovative promotion designed to drive traffic to the Rochester Main Street website. Each month the public can go to the website and enter to win a fabulous themed gift basket full of gift certificates from Rochester Main Street merchants!

Benefits of Participating:

- Each merchant will only be asked to donate once a year (but you can participate as often as you'd like!)
- Business advertised on all posters and promotional materials for that month
- Business included in advertisements in The Times
- Advertising on the Rochester Main Street website

How it Works:

If you'd like to participate, contact Rochester Main Street to pick the theme/month for your business. Each month, all Main Street members will be given a flyer advertising that month's drawing, as well as small handouts to give customers. Winners will be chosen on the first of each month, and notified by phone. There will be no charge for entries.
