# Elf Off The Shelf

DEC 10TH -21ST

## Passport

### How it works

- Go to each participating business and find their elf, to get a stamp on your passport.
- If a business has their elf visible from the outside of the shop, please do not go into the shop to look for an elf, instead take a picture of you with the elf and show to Santa on the 21st for a stamp.
- Participants can get an additional stamp for making a purchase of \$10 or more.
- On the 21st Main Street will have Santa & The Grinch on Central Square, where participants can turn in their passport for raffle tickets.
- Raffle tickets will be entered into a raffle drawn at the end of the event. There will be 4 winners who will get a \$50 gift certificate to the downtown business of their choice
